

NRC podcasts

The power of pre-roll advertising

NRC audio and print have been available for consumption for over five years. The NRC Vandaag podcast has been the most popular daily journalistic news podcast since its debut, and other titles such as Haagse Zaken (a political podcast that breaks down the latest political news coming out of The Hague) and Onbehaarde Apen (a podcast featuring the most diverse scientific topics) continue to grow in terms of weekly listens.

A pre-roll for an NRC podcast reaches listeners several times a week, and research shows that contact frequency is crucial for effectiveness¹. Because of this high contact frequency, a pre-roll campaign with NRC can make significant contributions to the results of a campaign in a short period of time.

In the listener's ear at any moment

While relatively new in the media landscape, podcasts enjoy great popularity among consumers. Over half of the 4 million Dutch consumers of NRC listen to podcasts, which are available on a host of different channels, such as Spotify, Apple Podcasts, and Stitcher.

Additionally, the podcasts can also be listened to on our NRC Audio app. As an advertiser, you have the opportunity to connect your brand with a diverse community of listeners looking for high-quality content and in-depth information.
